

Multicolor

William Knox, Justin Schellekens, Maud Akkermans

Oeh-oeh-oeh-oeh. I see all the colours in you.

Waking tonight for a dream black and white to a life in multicolour
Polarized lights, flash and open my eyes, to a world that's undiscovered.

I see you, I see me, like a lost memory that's appearing out of the blue.
All is new that I see, now I truly perceive, there is more than I ever knew.

In this view-oeh-oeh-oeh, I see all the colours in you
In this view-oeh-oeh-oeh, I see all the colours in you

The rhythm of the street looks like music to me
It's a sound that ain't never seen before.
Had to hear it to receive it. Had to see it to believe it.
Had to lose it to know what I was looking for.

I see you, I see me, like a lost memory that's appearing out of the blue.
All is new that I see, now I truly perceive, there is more than I ever knew.

In this view-oeh-oeh-oeh, I see all the colours in you
In this view-oeh-oeh-oeh, I see all the colours in you
In this view-oeh-oeh-oeh, I see all the colours in you
In this view-oeh-oeh-oeh, I see all the colours in you

Watching as the night turns to morning
The temporary tones in the sky.
Remind me that we're always evolving
Nothing is ever black and white.

So it's you and I in this Oeh,
Multicolour, multicolour. I see all the colours in you.
In this view-oeh-oeh-oeh, I see all the colours in you
In this view-oeh-oeh-oeh, I see all the colours in you

Multicolour, I see all the colours in you
Multicolour, I see all the colours in you
Multicolour, I see all the colours in you
I see all the colours in you. MULTICOLOUR!
