

## People need the Lord

Solo Bert vd Heijde:

Ev'ry day they pass me by, I can see it in their eyes,  
Empty people filled with care headed who knows where;  
On they go through private pain living fear to fear,  
Laughter hides the silent cries, only Jesus hears.

Refrein; All: People need the Lord, people need the Lord.

At the end of broken dreams,                      He's the open door.

Alt + Her    Oooooo

People need the Lord, People need the Lord.

When will we realize people need the Lord?

Solo Bert vd Heijde:

We are called to take His light to a world where wrong seems right,  
What would be too great a cost for sharing life with one who's lost;  
Through His love our hearts can feel all the grief they bear,  
They must hear the words of life only we can share.

Refrein; All: People need the Lord, people need the Lord.

At the end of broken dreams,                      He's the open door.

Alt + Her    Oooooo

People need the Lord, people need the Lord.

When will we realize, that we must give our lives?

For people need the Lord

Alt + Her    the Lord

People need the Lord
