

E 17 **Like a mighty river**

Solist:

Sometimes I wonder why He loved me so
and why He cared so much
Why he came to walk this earth
and why he chose to die upon that tree

Koor:

..
Oeh-oeh
..

Allen

Because his love shines like the morning sun
And His goodness flow like a mighty river.
And it makes me strong so I carry on
I know His love will bring me home one day.

Solist:

One day 'I'll meet Him face to face
and I will be with Him for evermore
No pain, no sorrow will meet me there
I'll be there, together with the Lord

Koor:

..
Oeh-oeh
..

Allen

Because his love shines like the morning sun
And His goodness flow like a mighty river.
And it makes me strong so I carry on
I know His love will bring me home one day

Because his love shines like the morning sun
And His goodness flow like a mighty river.
And it makes me strong so I carry on
I know His love will bring me home one day

Because his love shines like the morning sun
And His goodness flow like a mighty river.
And it makes me strong so I carry on
I know His love will bring me home one day, oh-oh-oh
